

Brien Holden Institute of Optometry and Vision Sciences *announces*

Clinical Internship in Optometry

July 2024 - July 2025

Objective

To provide hands-on experience and enhance patient care management skills through intensive practical training under the expert guidance of LVPEI faculty.

Program Structure

In 13 months of clinical training, every trainee will be rotated through comprehensive and subspecialty clinics.

Highlights

1. State-of-the-art clinics
2. Exposure to numerous clinical cases
3. Hands-on training
4. Case-based learning
5. Case presentations (Class 2 Clinics)
6. Consuming Knowledge Consciously (CKC) - bridging the gap in theory to support clinical training

Instructions for Online Application

- Fill the online application form, upload the relevant certificates, and submit the form
- Pay the online application fee
- Note that your application submission is successful only after paying the application fee
- Any incomplete forms will be disqualified if the documents and relevant certificates are not mentioned above are not attached
